

March 23, 2020

To Our AVSTA Patrons:

Based on recommendations made by the Superintendent of Schools for Los Angeles County Office of Education, all the school districts that we serve will be closing through Monday, May 4, 2020 and will resume classes on Tuesday, May 5, 2020. AVSTA bus service will resume May 5, 2020. As usual and because of the fluidity of the situation, these dates are subject to change, so check our web site regularly for updates.

We will be evaluating the situation as it evolves and making the appropriate adjustments should they be needed.
